Requirements for Approval: Event sponsor name and contact information must be posted on the banner (student organizations & university departments only). Signs must be appropriate for display in a public environment at the discretion of the Unions staff. A total of one banner (front & back) may be displayed by a recognized student organization or university department at a time. The banner will be hung and removed by a member of the Unions staff. If there is a date on the banner, it will expire the day after the event.
