City, State, ZIP Code:  
Telephone number:  
Email address:  
Anticipated graduation date:  
Major(s):  
Minor(s):  
Cumulative GPA as of end of Fall semester 2018:

### Required Supplemental Materials

- A copy of your current college transcript (unofficial is acceptable).
- Letter of recommendation (the letter should speak to the issues and experiences of your choice, from someone familiar with your experience).
- Answers to the questions listed below.

**Please type your answers to the following questions on a separate page and include when turning in your application packet.**

When answering the following questions, please feel free to consider the following social justice issues or any other you find relevant: gender equity and equality; gender identity and expression; sexuality; anti-violence work; religious expression; race; ethnicity; body image; single-parents/caregivers or other lived experiences.

1. What does the term "social justice" mean to you? How does social justice impact your daily life?
2. How has your involvement with social justice activities impacted your development?
3. How will this money benefit you?
4. What else would you like us to know about you?

I understand and meet the minimum criteria and requirements as stated above in reference to my application for the Social Justice Scholarship, and attest that the information provided herein is correct. By signing below, I give my permission to verify my student status at a University of Missouri system campus.
